Ranked 2nd in Small & Mid-sized Business Category by *Business Alabama* Magazine**

December 2023 — Anglin Reichmann Armstrong, P.C. is pleased to be among 40 businesses named in the **2023 Best Companies to Work for in Alabama** by *Business Alabama* magazine.

Anglin’s combined score for workplace model (25% of score) and overall employee experience (75% of score) **ranked our firm #2 in the small/mid-sized business category**. Companies across the state entered the two-part survey process to be considered; the second part was a third-party survey of our own employees.

Rankings were revealed at a special award ceremony and in the December 2023 issue of *Business Alabama*. Now in its thirteenth year, the survey and awards are “designed to identify, recognize, and honor the best employers in Alabama, benefiting the economy, workforce, and businesses.”

“One of my primary goals is to promote the public accounting and advisory industry as an amazing career opportunity,” said Brandon Smith, Anglin’s managing partner. “Receiving this statewide best workplace award is great for Anglin *and* for our industry,” he added. “It proves that we are caring for people and helping our communities.”

“As a firm and a team, we have focused many hours on making Anglin an employer of choice, and this award demonstrates that our employees are experiencing this reality,” said David Bier, Anglin’s chief operating officer. “From our onboarding process and mentoring to our personalized career paths and client service approaches, these initiatives are getting state and national recognition. It feels incredible.”
