Electronic Filing

6

IRS regulations require paid tax preparers who expect to prepare a certain amount of federal individual tax returns to file them electronically. To comply with this requirement your return will be electronically filed this year if it qualifies for electronic filing under IRS rules. Taxpayers may choose to file a paper return instead of filing electronically.

Mark if you want to file a paper return even if you qualify for electronic filing	[1]
Receive email notification(s) when your electronic file is accepted by the taxing agency (Blank = None, 1 = Return, 2 = Return & Extension) If 1 or 2, please provide email address on Organizer Form ID: Info	[2]
Mark if you are filing a balance due return electronically and you want to pay the amount due by debiting your	
financial institution account	[9]
The IRS requires a Personal Identification Number (PIN) be used in signing returns that are electronically filed.	
Each taxpayer and spouse, if applicable, must provide a 5 digit self-selected PIN of your choice other than all zeroes.
